What to do!!!

How can you have peace in a time like this? How can we face the uncertainties, the unrest, the future? I am reminded of a song that speak well to this:

“When peace like a river attendeth my way, when sorrows like sea billows roll. Whatever my lot, thou hast taught us to say, “It is well, it is well with my soul.”

The foundation on which we view the world begins with the condition of our hearts. The heart is the center of our being and the spiritual

CVNaz Re-Opening

The leadership board has been watching the conditions directly related to Covid-19 and how it affects our community and those at risk. The County of Alameda has given permission for churches to begin gathering under certain conditions.

- 25% of occupancy
- Continued social distancing
- Masks required
- Singing discouraged
- No physical interaction
- No children’s activities
- No food based activities

As well, word has come to us that there is currently a slight increase in Covid cases in Alameda County.

With this and our strong desire to protect those at risk much needs to be done. We long for the day when we have the all clear. But we will wait for a couple more weeks and look to re-gather in July.

Please continue to engage personally by joining us for worship online, Sunday School and selected Bible Studies. Do what you can to keep your faith strong and seek the Lord in prayer.

We didn't receive pictures from everyone this time but will try to get many more next month.

place where all expressions of right thinking, right action and spiritual engagement begins. When we get our heart right everything else falls into place.

Psalm 51:10-12 tells us,

“CREATE IN ME A PURE HEART, O GOD, AND RENEW A STEADFAST SPIRIT WITHIN ME. DO NOT CAST ME FROM YOUR PRESENCE OR TAKE YOUR HOLY SPIRIT FROM ME. RESTORE TO ME THE JOY OF YOUR SALVATION AND GRANT ME A WILLING SPIRIT, TO SUSTAIN ME.”

Let your heart lead you to good things, blessed things, joy-filled things and celebrate the well-ness of your soul.

This type of condition serves to sustain us through difficult times and times of uncertainty.

More upgrades coming!

Prayer is the foundation of power in the life of the Christian. Pray for each family in our congregation using the pictures on previous pages. And, please keep the following items on your prayer list this week:

For Peace.

Our Country and its Leaders: Pray that our country will be united and that our leaders will have the wisdom they need to navigate these times.

Stacie Redmond Stacie will have surgery on June 30 in San Diego. Pray for protection and peace through this procedure.

Mike Roche Pray for healing and sustaining strength for he and Beverly.

For our Church Family: For sustaining grace and peace and for God's closeness during this unusual time.

- For protection from doubt
- For strength in trial
- For hope is despair
- For faith
- And for blessing

Dear God,
I did not sleep well last night,
but I did wake up.
My muscles are sore,
but they work.
My wallet is not full,
but my belly is.
I may not have all I want,
but I have all I need.
My life is not perfect,
but my life is GOOD.
Thank you!
